WHO LIVES ON OUR FLOODPLAINS?

Boxy and Big Red

Meet Boxy and Big Red! Boxy and Big Red are like floodplain hotels – they provide food and lodgings for lots of animals. Bush birds and reptiles prefer the drier conditions at Hotel Boxy, but waterbirds prefer the swampy conditions closer to the river around Hotel Big Red. Boxy and Big Red LOVE to paddle in the river, but they have to wait for floods to get their feet wet.
